Habitat Work Day Information Packet

Thanks for volunteering to work on the Habitat house. We are building the house for the Berry family. Some information on them is below in this packet.

DIRECTIONS AND PARKING:

Directions to 5460 Blackhawk Drive, Acworth, GA 30102

- Take Highway 92 West
- After passing the intersection for I-575, go 3.9 miles and turn left onto Seminole Way
- Turn left onto Cascade Dr.,
- Turn right onto Blackhawk Dr and 5460 will be on left.
- Please park on the street.

DRESS: Wear work boots or sturdy gym shoes; jeans or work clothes that you don't mind getting dirty. Bring a hat and wear sunscreen. Loose fitting clothing should be avoided because they can catch on ladders or tools.

WHAT DO YOU BRING?: *You must complete and bring with you the Release and Waiver of Liability (available in this packet).* Bring work gloves, hammer, measuring tape, pencil, tool belt and nail apron if you have them. Put your name on anything you want to be sure to get back. Some tools will be available there, but if you have your own, it saves you from the possibility of there not being enough to go around. For those working in the morning, a breakfast will be provided starting at 7:30. Lunch will be provided for both morning and afternoon crews starting at 11:30. Water will be available during the day at the site.

BE SAFETY CONSCIOUS!! If you ever have safety questions concerning a task assigned to you, please talk to the house leader or a crew leader. Look before you hammer! Being accidentally hit or hitting someone else with a hammer can be avoided if we are aware of those around us. Only lift loads that you feel comfortable with and use your legs instead of your back. With so many volunteers on site, there are always enough hands to help out. Drink plenty of fluids throughout the day. If you have waited until you are actually thirsty, it is too late! Be aware of your body's response to high humidity and heat. Do not overwork yourself and rest as needed.

CANCELLATIONS: If the weather is so bad that you don't want to work, don't go. Otherwise, if it is unpleasant but tolerable, work will be going on.

PLEASE FILL OUT, PRINT AND BRING WITH YOU TO THE BUILD
